DARE TO EXPAND YOUR BOUNDARIES

Bell Tent

BRINGING YOUR GUESTS CLOSER TO THE GREAT OUTDOORS

Remember those circular tents in children's story books about adventurers and explorers living in the wilds? Our classic Bell Tent in khaki canvas brings those childhood tales to life for your customers – but with a little more style and comfort.

Whether your guests are a family taking the kids away for their first night under the stars, or veteran campers with years of experience, our Bell Tent is ideal. There's room enough for six people and, with a height of three metres at its centre, it's light, airy and comfortable enough for even the tallest of people.

It's flexible too; with the option of a detachable groundsheet, the sides can be rolled up to create an open air, covered lounging space for hot summer evenings, bringing the outdoors, in.

It's perfect for festivals or for getting out into nature and, if you have a permanent camp site, you can add a wooden veranda, creating additional space.

Why choose us?

It's all in the detail. Our beautiful, sustainable glamping tents are not mass produced, but are created by a team of specialists with a passion for outdoor living. We personally manage every aspect, from the initial concept and product design, to the sourcing of eco-friendly materials and construction, to quality control.

And it doesn't stop there, we provide ongoing service and support, long after you have bought your tent or lodge.
