AURORA

Unique and adventurous design

The Aurora is an extraordinary glamping accommodation for guests who seek a memorable experience in nature. The Aurora canvas lodge is our most stylish four-person accommodation. It is perfectly suited for families and friends who wish to enjoy the outdoors together in luxury.

Thanks to our modular system, you have the maximum freedom to design the Aurora to suit your personal style. Choose from a wide range of wooden, glass or canvas walls and doors to create a lodge with a unique character. In collaboration with our interior stylist and partner TKI, you can create a custom-designed kitchen in the style you desire. Optionally, you can choose a hardwood floor.

This lodge can also be equipped with air conditioning and/or a pellet stove to offer your guests some extra comfort. Use the space around the lodge to install a sauna, private swimming pool or barbecue area and place a swing set on the veranda for your guests to fully unwind.
