SUPERNOVA

Five-star glamping

This luxury canvas lodge will be the centrepiece of your resort, holiday park or hotel. All bedrooms in this impressive lodge have en-suite bathrooms and the suite on the first floor also features a private veranda; the perfect place to unwind. The French doors in the master bedroom's en-suite bathroom give you a wonderful view of the countryside!

The modular system gives you the maximum freedom to design your own Supernova. Choose from a wide range of wooden, glass or canvas walls and doors to create a lodge with a unique character. In collaboration with our interior stylist and partner TKI, you can develop a designer kitchen in the style that fits you best. Optionally, you can choose a hardwood floor.

The renewed design has more space to accommodate a swimming pool, an extra lounge area or a sauna.
