A room with a view

Looking for a compact but spacious tent with a view for just that little bit of extra comfort? Look no further! Our Shimmer glamping tent is ideal for people who don't normally "do" camping – and also for those that do.

- The Shimmer offers a lot of space on a small footprint due to the extra floor
- Various efficient layouts possible
- Spacious, yet compact – ideal for sites with smaller spaces
- Guests can make the most of your fantastic views from the upper floor

SHIMMER

A room with a view

The Shimmer has two floors, which means you can provide your guests a spacious living area. There is a kitchen and dining table on the ground floor, or the space can be configured as a compact kitchen or a bathroom. On the first floor, you will find a separate bedroom with a spacious veranda, where your guests can relax and simply enjoy the view.

It is perfect for couples looking for a romantic break and wanting to get close to nature, but it is also an excellent choice for walkers and cyclists who need a practical yet comfortable base.
