## Stylish and cosy

The Sparkle is perfect for a romantic break, but it also makes an excellent choice for cyclists and hikers, who need a practical, yet comfortable, base.

It is sturdy, with a wooden frame and it has an ideal standing height. To save you time, the Sparkle needs little maintenance and can stay outside during the winter months. If you need extra accommodation for large groups, this model can be used in combination with one of our other bigger lodges, such as the Sunshine.
